

INTERMEDIATE PLUS

Equivalence

EOI 3
TOEIC 405 - 500

Objectives

To perfect one's level and acquire a wide range of knowledge enabling one to deal with living in or visiting a foreign country (going shopping, buying food, going to the bank), and how to have conversations on the telephone.

LEARNING PATHS

1 Window shopping

Taking the bus, visiting shops and giving your opinion.

2 The fitting room

Knowing the names of articles of clothing.

3 Grocery shops

Going grocery shopping and asking for advice about ingredients and cooking, learning food-related vocabulary.

4 At the supermarket

Learning vocabulary related to products sold in supermarkets.

5 The switchboard

How to answer the telephone in a company.

6 An appointment

Introducing yourself and making an appointment by telephone

7 An emergency

Seeking assistance for an injured person, learning medical vocabulary.

8 At the doctor's

Describing symptoms and treatments.

9 Correspondence

Learning vocabulary for letter writing.

10 At the post office

Learning vocabulary to do with the postal service.

11 Banks & cashpoints

Knowing how to explain a problem and learning banking vocabulary.

12 Paying a bill

Knowing different means of payment.
